The Pianoforte Tuners' Association has been in existence for over 100 years! It is the professional Association in the UK for piano tuners and technicians. It proclaims the importance of high professional standards and provides training and advice to tuners and technicians to help to raise those standards.

We welcome those who would like to support us as PTA Patrons.

Are you a piano tuner or technician? YES NO

There are many benefits in becoming a PTA Patron, including attendance at PTA events, receiving the PTA Newsletter regularly and being listed in the PTA Yearbook. However PTA Rules state that a PTA Patron may not advertise their PTA connection, nor use the PTA logo and has no vote at the AGM. If you are currently a piano tuner or technician, it may be more appropriate for you to become a PTA Member or an Associate. Please ask for the relevant application forms or download them from the PTA website: www.pianotuner.org.uk

Do you have any special interest in Pianos or the PTA?
