

PTA Student Application

EXTRACT FROM THE PTA RULES

15. (a) Any Student receiving instruction at a training establishment or workshop acceptable to the PTA, or who has received instruction as above and gained the necessary proficiency certificate may be registered as a PTA Student and may attend all PTA General Meetings on a non-voting basis. He may not publicly advertise his registration and may not use the PTA name or Logo.
- (b) PTA Students shall pay a registration fee equal to the current Membership entrance fee during their training period. On completion of the training period PTA Students shall pay one half of the current Associate subscription annually on the 1st January for a period (at least two years) which, combined with the training period, is at least 5 years. On completion of this combined period, they must take the Membership test, or apply for PTA Associate Status.
